OBITUARY.

Mrs. Patrick Cassidy. Margaret McCloud, wife of Dr. Pat-ick Cassidy, died at her home, 104 Washington street, Tuesday afternoon about 5 o'clock. She had been in poor health for some time previous to her

Mrs. Cassidy was born in Norwich, May 17, 1850, the daughter of John and Margaret McCloud. She was educated in the public schools of Norwich and was graduated from the Norwich Free Academy in 1855. In St. Mary's church, Oct. 13, 1868, she was united in marriage with Dr. Patrick Cassidy by Rev. Daniel Mullen. Mrs. Cassidy was the mother of sight children at was the mother of eight children, all was the mother of eight children, all of whom are now living with the ex-ception of Thomas P. Cassidy, who was the first born and who died in infancy. She was a devout member of St. Pat-rick's parish and took an active in-terest in the welfare of her church, and particularly was active in the practice of charity. Mrs. Cassicy was one of the founders of the Catholic Woof the founders of the Catholic Women's club connected with St. Patrick's church. She was the first president of the club, which at that time was known as The Ladies' Aid society. Besides her husband Mrs. Cassidy leave the following children: Mrs. J. Edward Driscoll, Dr. Patrick J. Cassidy of this city: John H. Cassidy of Waterbury, Mary Cassidy Cahill. M. D., New York city: Dr. Louis T. Cassidy of this city, Lieutenant Richard E. Cassidy, U. S. N., Portsmouth, N. H., and Charles Cassidy, Harvard Law school, There also survive two sisters, the Misses Ellen G. McCloud, U. S. Navy hospital corps, stationed at Newport, R. L. and a brother, Judge Richard McCloud, of Durango, Colvado, There are also seven grand-children.

Mrs. Cassidy was very amiable and affable and had a wide circle of ad-miring friends. She was a loving wife and a kind mother and was deeply attached to her home, where her loss will be deeply felt as well as among her many friends in the city.

Alexander Campbell Harkness. Tuesday morning at 5 o'clock Alexander Campbell Harkness died at the home of his son, Charles Harkness in Poquetanuck at the age of 78 years following an illness of a week's duration due to grip and heart trouble. Mr. Harkness was the son of Capt. George Harkness and Capting Wil. Mr. Harkness was the son of Capt. George Harkness and Caroline Williams Harkness and was born in Poquetanuck. For fifty years he had been employed by Hall Brothers and for some years he was overseer of the old mill. He was a member of Uncas lodge, No. 11, I. O. O. F. Mr. Harkness was a member and warden of St. James' Eniscopal church. In his necessity of the second statement of the secon James' Episcopal church. In his po-litical views he was a republican and had taken a prominent part in the affairs of the town. He had represent. ed Preston in the legislature and was a member of the town committee of Preston. He was united in marriage with Helen Verrington, who died some

rears ago.
Three sons, Charles, Albert and John Harkness, all of Poquetanuck, survive him and there is also a brother James Harkness of Preston, and two grandchildren. Mr. Harkness was well and favorably known and by his death Poquetanuck loses a valuable resident.

FUNERALS.

Mrs. Thomas Buckle.

Tuesday afternoon at 2 o'clock the funeral of Emily C. Plerce, wife of the late Thomas Buckle, was held from the chapel rooms of Henry Allen and Son with relatives and friends in attendance. Captain E. W. Wilbur of the Salvation Army officiated at the services. Mrs. Wilbur offered a prayer and several hymns were rendered by Miss Wilbur. The bearers were John Robinson, Frank Nelson, Captain Stephen Taylor and W. Rochwood and burial took place in the Hickory street cemetery. The committal service was read by Captain Wilbur. Undertakers Henry Allen & Son had charge of the arrangements.

Attending Miss Jamieson's Recital. Archibald Mitchell, Miss Isabelle Mitchell, Archibald Mitchell, 4th, and Mitchell, Archibald Mitchell, 4th, and Prof. Frank L. Farrell of this city went to New York Monday to attend a piano recital to be given by Miss. Margaret Jamieson of Toledo, Ohio, a niece of Mr. Mitchell. Miss Jamieson is one of the most promising students of Yon Ende school of music and a pupil of Sigismund Stojowski. The recital is for the benefit of the pupils as well as friends and relatives. She is considered a very fine pianist and a bright future is predicted for her.

Lamp Exploded.

At No. 75 Union street on Tuesday afternoon about 3.30 o'clock a lamp exploded in the basement of Herman Schultz. He ran to the police station and from there the call was sent in for the autochemical. Mr. Schultz had shut the door of the room when he ran out and the fire had about burned it-self out by the time the firemen ar-He was at work planing kitchen table when the lamp exploded.

A bill pending in the Massachusetts legislature which would permit cities and towns to exempt manufacturing establishments from taxation for cer-tain periods was declared yesterday to be unconstitutional by Attorney General Boynton.

cents and for phosphorus 25 cents, if bought in large quantities, and he criticized the railroads for the freight rates they charged on these low grade commodities east of Danbury with the rate they charged for the western part of the state. In the western part he said it was \$1 per ton, but in the eastern \$1.25 per ton. In Illinois there was a rate of 50 cents a ton anywhere in the state, and he said he believed that if the railroads could be brought to see the state and he said he believed that if the railroads could be brought to see the benefit that lime would do on the soil of New England they would be willing to bring it almost for nothing, such would be their increase in freight from increased shipments of produce by the farmers.

by the farmers. Professor Esten spoke for about two hours, and was frequently questioned by his audience of about 40 at the m-stitute. At the end of his talk he referred to the milk cases in which many farmers of Ledyard and Plainfield have been prosecuted by United States government officers, but in which the government lost their case when one or two of the Plainfield farmers contested it. Professor Esten said that his testimony in these cases had surely been right and the government was spoke.

NO CLUES TO

CHANDLER COMPANY IN Y. M. C. A. ENTERTAINMENT. MISSING MISS ATCHISON. Artists Gave Programme That Won Brother Does Not Believe She is in the Enthusiastic Favor.

The last of the Y. M. C. A. course Although nearly two weeks have passed since Miss Flora E. Atchison entertainments was held Tuesday disappeared from her home in Baltic, evening in the auditorium of the assonothing has been heard from her, and ciation. The entertainment that was nothing has been heard from her, and ciation. The entertainment that was the church to order after the adjourn-the searchers who have been on the given by the Chandler company was ment of the society meeting and predelightful and won the approval of the large audience. All the numbers were applauded warmly. Miss Hazel Dell Chandler in her charming readings revealed a remarkable ability in presenting the different characters. In her lookout for some clue as to her wherelookout for some clue as to her where-abouts are practically at sea.

If perchance she ended her troubles by resorting to the waters of the She-tucket river, the body should have floated by this time. As nothing has been seen of the body, Dr. F. C. Atchi-son of this city, brother of Miss Atchi-son, does not think she is in the river. If she is in the woods in the neigh-borbood of her home, it seems probable to him that the numerous searchers ing the different characters. In her reading The Wednesday Afternoon Club she showed unusual cleverness. Elmer Crawford Adams, a wizard with the violin, rendered his selections in clear, mellow and rich tones. He was applauded time after time. Mr. Adams to him that the numerous searchers who scoured every part of that locality would have found her. It is possible made a big impression on his audience.
Miss Nita Cowlishaw and Miss Mildred Elchler added much to the attractiveness of the programme.

The programme was the following: that she made her way to Montville and that the woman seen there soon after her disappearance who answered the description might have been she. But this clue has been apparently lost,

that his talk would be on Agriculture

tor's band and will act as a soloist. ELKS' BANQUET SPEAKERS.

Editor Moreland, Wilton Lackage and Tully Marshall Added to the List.

these figures being absolutely unequaled for state averages at any time in
the history of the country. The combined averages for Ohio. Iowa and
Indiana and Illinois for 1910 and 1911
were 37.8 and 34.7, respectively. And
on the basis of acreage value, Connecticut has nearly doubled her western
rivals.

An acre of small fruits will produce more in Connecticut than in any other state in the union except Florida. Connecticut small fruits bring in \$198.34 the speakers for the Elks' anniversary York after making arrangements for plaint seven years ago, Samuel Sternschutz, the junk dealer state in the union except Florans.

necticut small fruits bring in \$198.34
her acre. In Massachusetts, \$175.50;
in New York, \$127.80. In the great
early market garden states of New
Jersey and Delaware they bring in
\$1.20 and \$74.80, respectively.
An acre of vegetables in Connecticut will bring in more than any other states in the union except Massachusetts in the union except Massachusetts.

New Hampshire. Connecticut who is blind and is the editor of the Elik Antiers, the official Eliks' organ, is to come. Brother Moreland told is to come. states in the union except Massachusetts and New Hampshire. Connecticut vegetables bring in \$120.96 per acre. Massachusetts can easily beat this. New Hampshire can beat it by five cents. No other state except five cents. No other state except the except five cents for connecticut tobacco is Florida brings in over \$100.

A crop of Connecticut tobacco is worth more per acre than that of any other state. The acreage value in 1911 reached the enormous amount of \$332.13. In Massachusetts it nearly reached this amount, while in many of the large tobacco producing states it averaged under \$100 per acre.

Only two states surpass Connecticut the Davis theatre on the fourteenth

reached this amount, while in many of the large tobacco producing states it averaged under \$100 per acre.

Only two states surpass Connecticut in the average yield of apples per tree. While there are practically no satisfactory statistics to be had upon crop production or crop value of apples, the 1910 census shows that Connecticut apple trees yielded more in 1909 than the trees of any other states except New York and Colorado, and brought a larger gross return than those of any state except Massachusetts, New York, Colorado and Arizona.

Colorado and Arizona.

Certainly needed it then.

Witton Lackaye and Tully Marshall, who will appear in Fine Feathers at the Davis theatre on the fourteenth have accepted invitations and some witty remarks will be expected from them. Possibly never in the history of Norwich will such an array of talent be corralled at one banquet.

Sealer Hale to Begin Work.

Albie L. Hale, the sealer of weights and measures for Norwich, is about to start on his new duties. In a conto start on his new duties. In a con-ference with Percy H. Morgan, the county sealer, Monday, Mr. Hale had the law explained to him. The rates will be as follows to be paid by the owners of the scales:

Spring balances 25 cents, Dry measures 5 cents. Weights 5 cents. Beam scales 25 cents. Liquid measures 5 cents. Yard measures 5 cents, Oil measuring pumps 25 cents. Molasses pumps 25 cents. Basket and boxes 5 cents. Five gallon measures 25 cents.

The big argument for them on the ground of accuracy and speed in obtaining results and the fact as shown by the last town election that no votes are lost. There were none thrown out at the last town election, while at the other ware not been sealed within the past while at the city election there were year, a large number that had to be dispense also, a city election costing from \$500 to \$500. The city would use the machines owned by the town if the city meeting votes to adopt the machine.

was 25 cents

The Easiest and Best Way Is to Dissolve It.

means of soil restoration for Connecticul farms was the text of an instructive talk given by Prof. William N. Esten of Storrs Agricultural college, who was the principal speaker of an institute held at the Preston City Congregational church on Tuesday under the auspices of the Connecticut Dairymen's association.

He illustrated his lecture with a chart showing the value of the different elements in the soil and placed phosphorus as the keystone to perpetual agriculture and made the impressive statement that if every one of the 25,815 farms in Connecticut should grow five acres of clover per year, they would increase their land the crop they would gather. This would be arrived at because of the information. He gave his hearers the information that the lowest cost per acre for putting films into the land would be 83 conts and for phosphorus 25 cents, if bought in large quantities, and he can be seen as the large that the fraight.

Cases still unsettled had been nolled.

F. E. Duffy, president of the association, was another speaker, and in the tassociation, was another speaker, and in the course of his remarks upon The Sele-ting Feeding of Dairy Cows he substantiated what Professor Esten had said about clover. He gave an example of his ewn experience in buying some name acres of waste swampy land at \$130 an acre, where after draining and plowing at a cost of about \$200 per late of the acres of waste swampy land at \$130 an acre, where after draining and plowing at a cost of about \$200 per late of the second year little better.
